

Template for 85x54mm tickets

2102 x 1370 pixels

1/ Adjust the dimensions of this sketch to 89 x 58 mm at 600 dpi, or directly to 2102 x 1370 px.

2/ Draw your ticket within the blue frame of 81 x 50 mm. Don't worry about the hidden variations for now.

3/ Only extend the background of your drawing to the green outer frame measuring 89 x 58 mm (bleed area after cutting).

4/ Finally, mask all elements of this template and save only your drawing of 89 x 58 mm in PDF format (keeping the most vectorized elements possible) or JPG.

Note: The cut ticket measures 85 x 54 mm (red frame).

Gray scratch area :

Let your background visual extend here without any hidden messages yet. We will add a light grey background and the hidden messages here on our side.

OR

CMYK scratch area :

The part of your image in this area will become scratchable.
